Planning Application 16/00721/HOUSE

Rowan Cottage-
Low Marrtes

Concerns have been expressed from Marrtes Parish with regard to the Above application. It is felt that it still will have a negative impact on the neighbouring house, due to its close proximity to windows and the fact it will block out a lot of light. With this in mind we cannot support the application and must register an objection.

Yours

(DAVID BEAL)

(Chairman)
