## **Introduction.**

Within the main document of the Parish Plan, much of the information obtained from the Questionnaire has been condensed either for brevity or where a full breakdown would not have benefitted the residents over and above that provided.

The Appendix contains a full breakdown, village by village, of all the information obtained from the Questionnaire that is not fully given in the main document and may be of specific use for those requiring the most detailed analysis.

The charts and tables are listed, section by section in the order in which the Parish Plan has been written.

## SECTION 1 – HOUSEHOLD

## If you work, do you work within the three parishes?

## How far do you have to travel to work (round trip)?

## SECTION 2 – TRAFFIC AND ROAD SAFETY

## Traffic accidents

## On street parking

## Parking on pavements

## Cyclists safety

## Pedestrian safety

## Inconsiderate drivers

## Noise from traffic

## Traffic fumes

### Traffic congestion at peak times
