DEVELOPMENT  
MANAGEMENT

Dear Sir

Demolition of 2 units 27 Commercial Street

I would like to justify why I would like to demolish two buildings on this plot of land. This is a conservation area and the ATS yard commercial buildings certainly do not enhance the area.

The ATS closed some years ago and the site has become unused, unsightly and redundant. The site is attracting petty crime and drugs in to the area.

We hope to develop the area which would be more suited to this location rather than a commercial unit

The buildings are of no merit and of no significant interest

I hope you will consider my request favourably

Yours faithfully

P. SEMMAN
