Subject: Planning Application 15/00153/FUL

Dear Ryedale District Council,

Ampleforth Parish Council wish to OBJECT to planning application 15/00153/FUL.

The Parish Council have the same concerns as those raised on the original planning application 14/00114/FUL, including major traffic concerns that these new industrial units would create.

The Parish Council are not convinced that there is a need for such units within the village.

Best Regards,

Louise
