PLANNING APPLICATION: 15/01216/FUL

OMEGA OAK BARN.

11 NOV 2015

DEVELOPMENT  
MANAGEMENT

WHILST WE UNDERSTAND THE NEED FOR THIS DEVELOPMENT AND THE REASONING BEHIND THE DESIGN WE DO FEEL THE NEED TO RAISE THE FOLLOWING POINTS AND HOPE THEY WILL BE NOTED:-

1) AS THE PLANS ARE AT THE MOMENT THE EXTENSION WILL DOMINATE THE SKYLINE AND MAY INTERFERE WITH THE LIGHT QUALITY TO THE HOUSES SITUATED ON HOWDALE LANE.

BY MOVING THE EXTENSION BACK THIS MAY HELP, EVEN THOUGH THIS MAKES THE COURTYARD AREA SLIGHTLY SMALLER.

2) CAR PARKING IS INSUFFICIENT; VISITOR CARS ALREADY PARK ON THE HIGHWAYS OUTSIDE THE PROPERTY AND RESIDENTS AT TIMES FIND IT DIFFICULT TO ACCESS THEIR PROPERTIES

PARKING BAYS NEED TO BE CLEARLY DEFINED AS EMERGENCY VEHICLES NEED TO BE ABLE TO ACCESS THE CARE HOME AT ALL TIMES AND AT THE MOMENT IT IS UNCLEAR WHERE ANYBODY NEEDS TO BE.

WE HOPE YOU WILL TAKE NOTE OF OUR COMMENTS AND YOU, LIKE US, SHOULD HAVE A SITE VISIT AS

It is important to judge where everything  
is situated.

Please find enclosed a copy of one of the plans  
with our concerns marked on it.

Many thanks
