

This drawing shall not be used for any other purpose than that for which it was prepared. It is the responsibility of the client to ensure that the information contained herein is accurate and complete. It is not to be used for any other purpose without the written consent of the author.

**Notes:**

- All dimensions are to be checked on site before the commencement of works. Any discrepancies are to be reported to the Architect Engineer or the Engineer in Charge immediately on site to the Site Party.
- The drawing is to be used in conjunction with all relevant Engineer and Survey Engineer drawings and specifications.
