Re: planning at the Waff site Wombleton Ref No 09-00369-fu1 Further to our telephone conversation this afternoon I would like to register my interest. I own the land on the North, South and East of the site and have a right of access for Agricultural equipment to go through the site on the West side, this must be big enough for a combine harvester. If you could keep me informed on how this application proceeds I would be most grateful.
