Dear All,

Following discussion at last night's Parish Council meeting and review of the revised documentation Ampleforth Parish Council wish to re-iterate their objection to planning application 16/00900/HOUSE:-

**Ampleforth Parish Council wish to OBJECT to planning application 16/00900/HOUSE - Fairfax House, Mill Lane, Ampleforth for the following reasons:-**

**This building would have a large visual impact on the village as a whole.**

**The building has a history within the village and the Parish Council feel that this history would be lost if planning consent was given.**

**The proposed electronic gates are not in keeping with the current look of the village.**

Best Regards,

Louise

Clerk - Ampleforth Parish Council
