Subject: Planning Application 16/00900/HOUSE

Dear Karen,

Ampleforth Parish Council wish to OBJECT to planning application 16/00900/HOUSE - Fairfax House, Mill Lane, Ampleforth for the following reasons:-

This building would have a large visual impact on the village as a whole.

The building has a history within the village and the Parish Council feel that this history would be lost if planning consent was given.

The proposed electronic gates are not in keeping with the current look of the village.

Best Regards,

Louise
