The Community Grant is open to any Ryedale community based organisation or group, for projects that make a positive impact on the community owned or managed facilities and activities in Ryedale, such as village halls, play areas, sports facilities, village owned shops and activities that support the local community.

The projects, considered by the fund can be varied and diverse but must be able to show that they make a positive contribution to at least one of the Council's stated priorities as follows:

*Providing opportunity for people, increasing skills and wage levels with better jobs*

## To have a high quality clean and sustainable environment

*Maintaining the quality of our local environment and increasing pride of place*

## Funding Criteria Overview

- Town or Parish councils (and other organisations with revenue raising powers) or organisations already in receipt of core funding or service level agreements are not eligible to apply.
- All applications will be appraised by officers of the Council or their delegated organisations and presented to the Council's Policy and Resources Committee for approval following recommendations from the Community Grant Working Party. The relevant Ward Councillor will also be consulted.
- Applications will be considered for capital and revenue projects, which meet the eligibility criteria.
- A grant of up to £5,000 or 25% of eligible project costs (whichever is the lesser) will be considered.
- For funding requests of up to £1,000, 100% grant funding will be considered (i.e. a possible full project cost grant). However, priority will be given to those applications which can demonstrate added value by attracting match funding
- Projects must be completed by March 2018
- Applications will be considered by the Policy and Resources Committee at two meetings; 24 November 2016 and 23 March 2017. Applications will be received throughout the year and funding will be allocated on a first come, first served basis. Completed applications must therefore be submitted by **30 September 2016** and **31 January 2017**.

# Ryedale District Council Community Grant

## What can you apply for?

Applications will be considered for projects requiring capital (for example buildings or equipment) or revenue funding (for example training or staff costs).

- Provision of a new community facility
- Schemes which improve the standards of provision or increase participation
- The acquisition, adaptation or improvement of existing buildings or facilities
- Community ventures which increase community activity and participation

## How much can you apply for?

You can apply for up to £5,000, although the maximum grant will be 25% of your project costs. Applications for up to £1,000 are eligible for 100% of project costs. The amount of grant being requested must be clearly stated on the application form. This will be a competitive process and we anticipate that demand will exceed the funding available. Projects of an exceptional nature may be awarded a higher level of funding.

## Ineligible Expenditure

- Any expenditure that takes place prior to grant approval, including planning fees and professional fees
- Existing running costs of your organisation and existing salary costs
- Fundraising
- Previously funded projects
- This funding is not intended to replace existing statutory funding or for projects that have previously been funded by other organisations, such as highways improvements, school facilities.

## Priorities

The resources available under the Council's grant programmes are constantly under pressure and every year the budget is over subscribed with requests for funding. All applications for grants will be assessed against the priorities on page 1. Projects which contribute to these would be considered as high priority schemes:

Priority will normally be given to those bids which:

- Attract partnership or match funding, particularly if funding has already been secured.
- Are initiated by community based organisations or groups.
- Are supported by evidence of need such as consultation or a parish plan.
- Can demonstrate community support and participation, for example through offers of help in kind.

## How to apply

Applicants are required to apply formally for a grant using the application form attached. You can submit this in hard copy or electronically.

Applications will be considered by the Policy & Resources Committee on 24 November 2016 and 23<sup>rd</sup> March 2017. The following deadlines will apply.

**30 September 2016 for a decision on 24 November 2016.**

**31 January 2017 for a decision on 23 March 2017.**

**All** applications over £250 must be accompanied by the following:-

- A copy of the signed constitution or rules for your organisation as adopted by the Chair
- 2 years' audited accounts for existing organisations or 3-6 months bank statements for newer organisations

## Site Visits

Before an application can be considered by the Council, the applicant organisation will be contacted by an officer of the Council and capital projects may be discussed on site.

## How we assess your application

If your application is complete and includes all the information requested and your organisation is eligible for consideration, we will assess your organisation and project against the following criteria:-

### Your organisation

- Is well managed and financially sound
- Would be able to manage the project if a grant was awarded
- Reflects the community it serves
- Takes into account the needs and aspirations of the community in its work.

### Your project:

- Contributes to the delivery of the Council's stated priorities
- Responds to a clearly identified need and has community support, and this should be evidenced with research such as a parish plan or village appraisal or offers of help in kind
- Will deliver clear outcomes for the communities of Ryedale and the impact of the project has been anticipated and is supported by evidence
- Has a budget which is accurate and reasonable with a realistic plan to secure matching funding.
- Has a clear and realistic projection of income for the future maintenance of the facility and a plan for its future operation
- Includes details of how it will be monitored and evaluated i.e. how will you show that the project has delivered the desired outcomes in Ryedale and share lessons learned?
- Must be deliverable by March 2018.

## Monitoring

We will monitor the impact of all projects funded by the Council. This will demonstrate the "result" of awarding grant aid and benefit to the communities of Ryedale. Aspects of your project which will need monitoring may include:-

- The benefits the project has achieved
- How many people or organisations have benefited

When we award a grant and before the grant begins, we will agree with you the things we would like you to monitor. We may also request materials such as photographs which may use in future to promote the work of the fund or share best practice.

## **If you are successful**

We will send you a grant offer letter detailing the amount, term and any special conditions of the award. You must agree to abide by the Council's standard grant conditions when accepting any award.

## **Standard Grant Conditions**

- No work must be started or firm contracts made in respect of any project before the grant application has been considered and a written offer of grant received.
- In urgent cases, at the request of the applicant and with prior consent of the Council, some schemes may proceed before the application for grant aid has been considered. In such cases the applicant will be notified by letter specifying the work which may be undertaken "without prejudice" to the application.
- Not less than two competitive tenders should be obtained for all capital schemes
- In respect of projects involving the purchase of, or improvements to land or property there must be no outstanding loans, mortgages or charges on, or in respect of the land or property involved unless under full guarantee against foreclosure.
- If the application relates to land or property which is not owned by the applicant organisation there should be not less than 10 years unexpired security of tenure at the date of the grant application, although a shorter term may be acceptable in some cases.
- The Council may use the project for publicity purposes and case studies may be prepared by the Council in consultation with the applicant.

## **Payment of Grant**

Grants are paid retrospectively for capital projects, by bank transfer, with notification being sent to the chairman of the organisation or other appointed official as specified on the application form. Therefore, in order for grant payments to be made, it is essential that we have your bank details (section 11 on the application form) and for the organisation to send copies of all relevant receipted invoices to the Council at the point of claiming the grant. It is possible for interim payments to be made on receipt of appropriate invoices or certificates. Work may be inspected before payments are made. Where there are many receipted invoices, a table detailing payments should also be included. Grants are paid in advance for revenue projects.

## **Your Commitment**

In order to achieve the best return for the Ryedale community from the grants we award the Council expects the following from grant recipients:-

- That you undertake to monitor and evaluate your service or project and its benefit to the Ryedale community.
- To adhere to the principles of equal opportunities
- That you undertake to deliver a high quality of service
- Recognition of the funding contributed by Ryedale District Council in promotional material
- Providing information for inclusion in case studies
- Ryedale District Council has the ability to withdraw the grant offer if an organisation takes any action which could bring the District Council in to disrepute.

## **Our Commitment**

In order to provide a service which delivers grant aid to the voluntary sector in a fair and appropriate way we undertake the following:-

- To monitor and evaluate our service to ensure we provide the best service we can
- To assess all eligible applications against our criteria
- To acknowledge applications and answer letters within 5 working days of receipt
- To ensure that no applicant receives less favourable treatment for any reason

## **If you are not satisfied with the outcome of your application**

Please contact the Economy and Community Team and we will arrange for an officer to visit your project to discuss possible ways to take your scheme forward.

If you wish to make a formal complaint about the application process or administration of your award you can contact the Complaints Officer by phone on 01653 600666 or by email at [complaints@ryedale.gov.uk](mailto:complaints@ryedale.gov.uk).
