Application No: 16/01773/FUL

Dear Charlotte Cornforth

The Parish Council held a meeting on 21/02/17 and discussed the revised planning application.

The Council would prefer a single dwelling as space is still very limited with two houses and possibly six cars.

In the dc-a note the Council feel that the local interest from an individual to provide a single property would be in line for the preferred option.

Yours sincerely

Bridget Till
Clerk to Nunnington Parish Council
