Sustainable Growth:

Promoting a strong economy with thriving businesses and supporting infrastructure

Capitalising on our culture, leisure and tourism opportunities

Managing the environment of Ryedale with partners

- Enabling provision of housing that meets existing and anticipates future need
- Minimising homelessness, improving the standard and availability of rented accommodation and supporting people to live independently

Customers and Communities:

- Helping our partners to keep our communities safe and healthy
- Supporting communities to identify their needs, plan and develop local solutions and resilience

Section 106 Grants:

- Does this meet with the section 106 planning agreement description for the parish?

-
- 14a Which ward or parish is affected?
Brawby
-
- 14b Which communities of interest are affected?
Brawby
-
- 15 Does the project respond to a clearly defined need? How is this evidenced?
Yes, past flooding in the highway.
-
- 16 Does the project have community support? How is this evidenced?
Future consultation with the community is needed.
-
- 17a Is a robust project plan in place?
There is already multi-agency support for a pump to provide flood alleviation however the detail of the project requires multi agency approval and support to ensure this project delivers expected outcomes to minimise future highway flooding.
-
- 17b Flood grants only: Is there a community resilience plan in place?
A condition of the grant
-
- 18 What are the objectives of the project and what impact will it deliver?
The objectives of this project are for Brawby to have the equipment/Pump and necessary training to be able to self help in the event of flooding.
-
- 19 Is the project budget accurate and reasonable, with a realistic plan for securing match funding?
The project requires multi agency approval and further work is needed to ensure desired outcomes are delivered to provide Brawby with a solution to the highway flooding.
-
- 20 Is the funding package verified?
Subject to conditions.
-
- Long term viability and running costs
-
- 21a Is the project expected to continue beyond the term of any funding awarded by the council
YES NO
-
- 21b For capital projects is there a clear and realistic projection of income for the future maintenance of the facility – a business plan?

- 22 Comments on the financial situation
