## 4 Project Details

Where will the project take place

Thornton Le Dale Bowls Club.

When is the project expected to:

Start

Sep. 2017

Finish

October 2017

Please summarise your project (100 words maximum)

Due to the nature of the game, players stand near the edges. This over time has caused sinkage of the playing surfaces. This interferes with the quality of games and competition. There are 3 edges that need to be lifted and the surrounding gutter work replaced. One of the four sides was replaced 3 years ago. The work involves lifting a metre of turf, back filling this area, and the surrounding gutters replaced. The boards need to be pre-tanalised and staked every metre.

Why is the project needed?

To maintain the required quality standard for match playing.

Please give details of any consultation undertaken in planning your project with either the wider community or target audience for the project eg parish plan or questionnaire

We have spoken to several visiting teams that have undertaken similar work. We have also taken into account their comments on the quality of our grounds. Most visitors consider ours poor in comparison.

Please indicate how you will measure the success and impact of your project

It will enable better quality games to be played and thus encourage touring teams to visit. This is an important revenue stream for the club and the wider community.

How does your project meet the priorities of the Council?

It is proven that swimming and bowls are important activities for the older generation especially. Maintaining these facilities encourages more participation by local residents & strengthening community spirit.

Please give details of any special fundraising activities for the project

Car boot sale. Quiz nights, Domino drives, Coffee mornings, Thornton Dale show, Lucky Squares, Lotto Bonus ball & raffles.
