**Sustainable Growth:**

- Promoting a strong economy with thriving businesses and supporting infrastructure
- Capitalising on our culture, leisure and tourism opportunities
- Managing the environment of Ryedale with partners

- Enabling provision of housing that meets existing and anticipates future need
- Minimising homelessness, improving the standard and availability of rented accommodation and supporting people to live independently

**Customers and Communities:**

- Helping our partners to keep our communities safe and healthy
- Supporting communities to identify their needs, plan and develop local solutions and resilience

**Section 106 Grants:**

- Does this meet with the section 106 planning agreement description for the parish?

14a Which ward or parish is affected?  
 Hovingham Ward covering the Parishes of Barton le Street, Fryton, Hovingham, Slingsby, Terrington

14b Which communities of interest are affected?  
 All of above particularly Slingsby

15 Does the project respond to a clearly defined need? How is this evidenced?  
 At present there is no all weather sports area in the village of Slingsby and a monitoring of the daily use of the sports fields has shown a variety of ages attending. This would give a more year round use to encourage Health and Wellbeing in the Community.

16 Does the project have community support? How is this evidenced?  
 Yes. Consultation has been made with the residents, Parish etc and it would be an asset to the Community

17a Is a robust project plan in place?  
 No fund raising has been undergone and the requirement is for a 100% grant to enable to the project to go ahead. The Slingsby Sportsfield Association have pledged monies to maintain the facility once up and running on a year on year basis. Local volunteers to form a Committee if grant awarded.

17b Flood grants only: Is there a community resilience plan in place?

18 What are the objectives of the project and what impact will it deliver?  
 A year round facility to promote local residents to be healthy and reduce obesity levels regardless of ability, disability, education and finance. A sustainable community facility.

19 Is the project budget accurate and reasonable, with a realistic plan for securing match funding?  
 No match funding has been applied for or local fundraising. Three estimates received for works to the area to create an all weather area.

20 Is the funding package verified?  
 N/A

Long term viability and running costs

21a Is the project expected to continue beyond the term of any funding awarded by the council
