

SUSTAINABLE GROWTH

This Council wants to do all it can to create the conditions for economic success in our area. We also want Ryedale residents to have the skills, opportunities and living conditions that allow them to benefit from a healthy local economy and enjoy a good quality of life. A supply of local labour with the right skills is also essential for our businesses. To support both our businesses and our communities we also need new homes, particularly affordable homes for local people. We can only influence and seek to facilitate these matters in partnership with others. To guide our policies, proposals and priorities we monitor our relative performance in terms of the key baseline issues of:

Employment and benefit claimant levels, Wage levels, Qualifications and education, Supply of homes (market and affordable) and housing sites. Housing affordability, including fuel poverty, Dealing with homelessness. Where local performance doesn't reflect our ambitions for our economy and communities, we will work with the appropriate partners to seek to address this through the most deliverable means. The Council has approved the Local Plan Sites Document for publication and submission for Examination early in 2018. This will lead to the completion the current Local Plan which will provide greater certainty to developers.

CUSTOMERS AND COMMUNITIES

Following the implementation of the new operating model for the Council, customer facing services such as Council tax collection and rebate and housing benefit have maintained performance levels. The community team are developing new ways of working with parishes and communities, and working closely with partners including the police and fire services. The changes in circumstances processing performance in benefits has improved in this quarter following targeted work.

In terms of supporting the growth agenda the Council has continued to determine major applications in a timely manner with 99% of major applications determined in time and/or agreed extensions of time. The Specialist Place Team is slightly below target in the year to date on 'minor' and 'other development' categories.

ONE RYEDALE

Overall, income levels are performing well against budget. Development Management fees and income from recyclates are significantly above budget, however Trade Waste income and Car Park ticket income are currently below budgeted levels.

PLANNING						
Traffic Light	Short Name	Description	Current Value	Current Target	Managed By	Trend Chart
	Processing of planning applications: Major applications (13 weeks)	Whilst this performance can be volatile due to small numbers we are currently well above target level of 70%. Quarterly indicator	94.00% Q3 2017/18	70.00%	Gary Housden	
	Processing of planning applications: Minor applications (8 weeks)	In the light of the team still operating with a vacancy since April this is considers to be a remarkably high level of performance. Quarterly indicator	79.90% Q3 2017/18	80.00%	Gary Housden	
	Processing of planning applications: Other applications (8 weeks)	This again can be partly explained by the current vacancy in the team and we are yet to fully launch the more streamlined work of Woking for 'other applications' that should also lead to an improvement in application turn around Quarterly indicator	83.20% Q3 2017/18	90.00%	Gary Housden
