

Notes

- The drawing is added to copyright and must not be reproduced, stored or transmitted in any form without prior permission from Mason Clark Associates.
- All dimensions are in millimetres unless stated otherwise.
- DO NOT SCALE THE DRAWING. FINISHES ARE AS SHOWN.
- All dimensions & levels are to be checked by the contractor prior to works commencing. Any discrepancies shall be reported immediately to Mason Clark Associates.
- All works shall be carried out in accordance with Local Authority, Statutory Authority and Health & Safety Regulations.
- The drawing shall be read in accordance with all other contract documents issued at the time of issue and during the period of the contract.
- These works are designed to be self-supporting and made after they are fully completed. It is the Contractor's responsibility to ensure the correct quality of the work is achieved during all stages of the construction.
- No alterations have been made for noise, vibrations, strikes or earth works, especially where. Service entry points, easements, are to be kept open to public access.

The Drawings must be compared with the following:
 14822-Y-DG-11 Eastern Access LIA
 14822-Y-DG-14 Contractor Details

31.98	Devices levels from the initial top survey conducted in 2009
31.420	Devices levels from the initial top survey conducted in 2009

- Preparation
- Half Substation
- Drop Keds
- Chemical Keds
- Square Channel
