**DELIVERED BY HAND**

For attention of Mr. Alan Goforth,  
Planning Department,  
Ryedale District Council,  
Ryedale House,  
Malton,  
YO17 7HH.

Dear Mr. Goforth,

**Application No. 18/0080FUL**  
**Edward Hartshorne -**  
**The Old Vicarage, Hogg Lane, North Grimston**

In reply to your letter dated 11th April 2018 enclosing revised plan etc.  
relating to the above planning application:-

Firstly we apologise for not writing sooner, but your letter stated ...**IF** the Parish Council have any observations to make, to reply by the 25th April".

Secondly, following a telephone call this afternoon from Mr. Hartshorne saying the Birdsall Parish Council were holding this planning application up due to their objections (which was not the intention) I had a conversation with Lizzie in your Office, from which I understand we should have replied even though the Birdsall Parish Council had no further observations to make.

So to clarify matters, I have spoken to Lady Middleton (Chairperson) this evening, and am instructed to notify you that the Birdsall Parish Council have no further observations to make other than the ones set out in our letter dated 28th March 2018.

Yours sincerely,

*Margaret Warren (Mrs)*

Clerk to Birdsall Parish Council
