

**Key**

- Specimen tree planting
- Planted trees to define entrances
- Hedge planting
- Ornamental structure planting
- Grass, see notes
- Paving defining pedestrian circulation and linkage
- Parking provision rationalised and increased

**Notes**

Areas of grass, other than lawns associated with buildings, to be managed to maximise ecological benefit through use of appropriate mowing regimes and native species enrichment.

**Safety, Health & Environmental Information**

In addition to Responsibilities normally associated with the types of work detailed on this drawing, note the following:

- Construction: No abnormal risk
- Maintenance/Cleaning: No abnormal risk
- Decommissioning/Demolition: No abnormal risk

It is assumed that all works will be carried out by a competent contractor, working where appropriate, to an approved method statement.

- Overflow parking with Grasscrete
- Proposed lake to form site focus
- Formal courtyard garden
- External terraces to ground floor rooms
- Entrance courtyard and turning provision
- Pedestrian link between existing and proposed buildings
- Lakeside feature for wedding photography
- Enclosed external staff area
- Tykes restaurant garden
- Existing wedding garden removed to provide visual linkage to building and wider landscape
