Dear Sir

**Re: Planning Application no: 17/01220/MFUL**  
**Applicant: David Wilson Homes**  
**Description: Erection of 239 dwellings on land at Whitby Rd Pickering**

I refer to your letter of the 8 June 2018 received on the 11 June 2018.

I object to the above planning application, amended application and this further amended application.

I note that I have not received the courtesy of a response to the matters raised in my letter of the 29 May 2018. It therefore remains the position that I consider that in formulating my objections I am adversely affected by the following matters:

1. You have failed to respond to my reasonable requests for further information as set out in my letter of the 22 November 2017;
2. Your letters of the 14 May 2018 and 8 June 2018 contain inadequate information as to the details of the amendments although I do note that there is no reduction in the number of proposed dwellings. I do not have internet access. Please provide me with a hard copy of the amendments and further amendments without further delay;
3. I understand that residents and objectors have been denied reasonable supervised access to the land for the purposes of inspection.

Yours faithfully

Mrs P Heap

Cc. The Town Clerk Pickering Town Council
