

Firthland Road, Pickering PLANNING SCHEDULE

Suggested species list for landscape typologies in Landscape Masterplan

1. Specimen trees for front gardens

| Plant species | Size | Density |
|--|--------------------------|----------------|
| Acer campestre "Elsrijk" | SI; 2x; 6-8; 250-300; BR | N/A |
| Betula utilis "Jacquemontii" | SI; 2x; 6-8; 250-300; BR | N/A |
| Prunus avium "Plena" | SI; 2x; 6-8; 250-300; BR | N/A |
| Sorbus aucuparia "Sheerwater Seedling" | SI; 2x; 6-8; 250-300; BR | N/A |
| | | |

2. Specimen trees for public open space

| Plant species | Size | Density |
|----------------------|--------------------------|----------------|
| Alnus glutinosa | SI; 2x; 6-8; 250-300; BR | N/A |
| Betula pendula | SI; 2x; 6-8; 250-300; BR | N/A |
| Fraxinus excelsior | SI; 2x; 6-8; 250-300; BR | |
| Malus sylvestris | SI; 2x; 6-8; 250-300; BR | |
| Prunus avium | SI; 2x; 6-8; 250-300; BR | N/A |
| Sorbus aucuparia | SI; 2x; 6-8; 250-300; BR | N/A |
| Tilia cordata | SI; 2x; 6-8; 250-300; BR | |
| | | |

3. Woodland and scrubland copses for public open space

| Plant species | Size | Density |
|---------------------------|-------------------|------------------|
| <i>Acer campestre</i> | T, 1+1; 40-60; BR | 1/m ² |
| <i>Alnus glutinosa</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Betula pendula</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Cornus alba</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Corylus avellana</i> | T, 1u1 60-80; BR | 1/m ² |
| <i>Crataegus monogyna</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Fraxinus excelsior</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Malus sylvestris</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Prunus avium</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Prunus spinosa</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Quercus robur</i> | T, 1u1 60-80; BR | 1.m ² |
| <i>Rosa rugosa</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Rosa canina</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Salix caprea</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Sorbus aucuparia</i> | T, 1+1 60-80; BR | 1/m ² |
| <i>Tilia cordata</i> | T, 1+1 60-80; BR | 1.m ² |
| <i>Ulmus glabra</i> | T, 1+1 60-80; BR | 1/m ² |
| | | |

4. Front garden hedges

| Plant species | Size | Density |
|--|------------------|--|
| <i>Crataegus laevigata</i> "Rosea Flore Pleno" | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Fagus sylvatica</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Ligustrum ovalifolium</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Lonicera nitida</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Prunus laurocerasus</i> "Otto Luyken" | 30-40; C; 2L | 8 per linear metre' double staggered row |
| <i>Rosa rugosa</i> "Blanc Double de Coubert" | T, 1+1 40-60; BR | 8 per linear metre' double staggered row |
| | | |

5. Agricultural hedge rows for site boundaries to new fields

| Plant species | Size | Density |
|---------------------------|------------------|--|
| <i>Acer campestre</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Corylus avellana</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Crataegus mongyna</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Eunymus europaeus</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Fraxinus excelsior</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Ilex aquifolium</i> | 30-40; C; 2L | 8 per linear metre' double staggered row |
| <i>Malus sylvestris</i> | T, 1+1 60-80; BR | 8 per linear metre' double staggered row |
| <i>Prunus spinosa</i> | T, 1+1 60-80; BR | 8 per linear metre' double |

| | | |
|------------------|------------------|--|
| | | staggered row |
| Prunus padus | T, 1+1 60-80; BR | 8 per linearmete' double staggered row |
| Rubus fruticosus | T, 1+1 40-60; BR | 8 per linearmete' double staggered row |
| Rosa canina | T, 1+1 40-60; BR | 8 per linearmete' double staggered row |
| Sambucus nigra | T, 1+1 60-80; BR | 8 per linearmete' double staggered row |
| Viburnum opulus | T, 1+1 60-80; BR | 8 per linearmete' double staggered row |
