

## **Appendix 3 – Draft Priorities for the Council Plan 2019-2023**

### ***A great place to grow business, work and visit***

**We will promote and deliver economic growth, working with businesses and creating high quality, high paying jobs that benefit all of Ryedale's communities**

**We will support the prosperity of our attractions and market towns through promoting Ryedale as a 'must experience' place for food, family days out and the great outdoors.**

### **A great place to live**

**We will support access to housing, setting exceptional standards in homelessness prevention and affordability.**

**We will promote health and well-being across Ryedale's communities so everyone has the opportunity to enjoy and contribute to the place they live in.**

**We will use our power and resources to keep Ryedale's environment clean, green and safe.**

### ***Shaping the future***

**We will act commercially and be business-like, investing in new technology, initiatives and infrastructure where this benefits local people and represents good use of public money.**

**We will coordinate and collaborate with partners, joining up our work programmes and resources where this brings benefits for local people and communities.**
