I am commenting on behalf of Kirby Grindalythe Parish Council : **No Comments or observations**

I have tried to comment online but when I have logged in to the planning portal using the registered Kirby Grindalythe parish email address I could not find an option to comment on behalf of the Parish Council and therefore am not sure if I have registered correctly. Can you please check for me so I can comment on line on behalf of the PC in future.

Many thanks

Janice Robinson

Clerk to Kirby Grindalythe Parish Council
