Thank you for your e-mail Alan. I have looked at the information and can confirm that Low Hutton Methodist Chapel could be considered to be a Non Designated Heritage Asset. The plans for conversion retain the significance of the simple vernacular architectural form of the building. It's historic interest will be maintained as a tangible aspect of Methodist worship in the village. I have no objections to the application.

Regards Emma

Please note; I work 3 days per week. I am in the office on Tuesdays and Wednesdays and am contactable by email on Thursdays
