UPDATE REPORT

Members will recall that this application was deferred for a site visit undertaken on the 21st June 2021. Members are therefore asked to refer to the report for the June meeting.

If Members have any technical queries relating to this proposed development, Officers would be grateful if these could be provided in writing to the case officer by midday 5th July 2021 at the latest. These can then be reported to the Chair and Vice Chair at the Pre meeting that is scheduled for later that day to allow time for any further review with technical consultees.
