

date valid 23/04/2021

Do not scale from this drawing, refer to the dimensions on the site plan for all dimensions.
 The contractor must verify all dimensions on site before commencing any work or installation.
 The contractor must report any discrepancies before commencing work. If any discrepancies are identified, the contractor must stop work until the contractor (design and equipment) registers 2021 to work on any work. A safety plan has been produced. This drawing is a copy and not a final approved drawing.
 The contractor must refer to the Construction Information for the Project Design. If you are not a contractor, you must refer to the Construction Information for the Project Design. If you are not a contractor, you must refer to the Construction Information for the Project Design. If you are not a contractor, you must refer to the Construction Information for the Project Design.
