Subject: Listed Building Consent Application 21/00434/LBC

Dear Ms Hood,

This Application was on the agenda to be discussed at last night's Settrington Parish Council planning meeting.

However, that afternoon the applicant, Mr Bell, phoned to say that he intended to submit an amended application, which would thus make discussion of the current Application redundant.

I telephoned your department for clarification of the situation and advice as to how to proceed, and was advised to consult Ms Woodland - who unfortunately was uncontactable.

The decision was thus made to delete the item from the agenda, pending receipt of the amendment.

Yours sincerely,

Bruce Skinner

Clerk to Settrington Parish Council
