Dear Ms Hood

Thank you for your letter of 23 September 2021 advising of amendments to the above planning application for erection of first floor extension over existing single storey ground floor projection at 4 The Terrace Oswaldkirk Helmsley YO62 5XZ.

These amended plans were shared and discussed at a recent Oswaldkirk Parish Meeting. Opinions remain divided with some present in support of the application as a positive addition to the village and others who continue to object to it (for the reasons already given in my letter of 23 September). A vote was taken which was narrowly in favour of supporting the application.

We reconsidered our original request that a 'local occupancy' condition be added to any approval and regarded it as somewhat heavy handed and would ask that it be removed.

Yours sincerely

John Wilkinson
Chair, Oswaldkirk Parish Meeting
