**Subject:** PLANNING APPLICATION 21/00782/MFUL

Good Afternoon

I refer to the above planning application and wish to advise that the parish council wish to reject the application.

The reasons for not recommending the application are:

New build on green belt land, open countryside

No justifiable purpose for a new build i.e. agricultural etc

Not a design in keeping with other village properties and visible on the periphery of a national park

Not wanting to set a precedent for further proposed similar builds

Regards
