

Support from neighbour, Sarah and Ian Sharpe, Mill Beck House, 2 Pinewood, Norton, Malton, YO17 9JT

Dear Matthew

Referring to the TPO listed above and issued 11 October 2022, we would like to express our support for the order.

The trees are quite a feature of the area, especially the Horse Chestnut tree.

We are pleased to note that the order allows for the maintenance of the trees and if necessary felling and replacement, should the trees prove to be causing any potential or actual damage.

Kind regards

Sarah and Ian Sharpe
