3.0 REASONS SUPPORTING DECISION

To ensure the implementation of improvements to the Building Control service.

4.0 REPORT

4.1 Members will be aware that the original Business Plan was developed in liaison with our consultant Keith Bachelor and is set out in accordance with CPA requirements.

4.2 The Business Plan (Appendix A) has recently been revised by the Partnership with emphasis being focused on the downturn in the current economic climate and developing a medium term recovery plan.

5.0 POLICY CONTEXT

5.1 The Partnership Business Plan to link into each partner authority's corporate plans.

NORTH YORKSHIRE BUILDING CONTROL PARTNERSHIP BOARD

6 February 2009

5.2 To deliver a competitive, high quality professional service and provide excellence in client services.

6.0 FINANCIAL IMPLICATIONS

6.1 As set out in Appendix G of the Business Plan.

7.0 LEGAL IMPLICATIONS

7.1 None.

8.0 RISK ASSESSMENT

8.1 By not having an approved Business Plan the Partnership risks service failure and not meeting the expectations of customers, partner authorities and CPA requirements.

9.0 CONCLUSION

9.1 It is essential that the Business Plan as set out in Appendix A is adopted and actively monitored by the Partnership Board to ensure that the building control service is delivered in an effective and economic way.
