## REPORT

### 5.0 BACKGROUND AND INTRODUCTION

- 5.1 The North Yorkshire Community Safety Partnership is the statutory Crime and Disorder Partnership. Within this context, the Safer Ryedale Local Delivery Team meet approximately 4 times per annum to review progress towards delivery of the Safer Ryedale Partnership Plan.
- 5.2 North Yorkshire Police produces a Joint Strategic Intelligence Assessment (JSIA). The JSIA is compiled utilising the national MoRILE (Management of Risk in Law Enforcement) threat matrix. In order to support the delivery of an evidence based and comprehensive assessment, a large number of thematic research reports are generated to support the scoring process and these incorporate the full range of harm likelihood, confidence and organisational position measures.
- 5.3 Information has been obtained from North Yorkshire Police data bases, existing intelligence products, internal and external subject specialists and partners' reports. However, it must be noted that the remit of a CSP and Safer Ryedale is broad and needs to reflect, not just these themes which pose threat, risk and harm from a policing perspective but also those of our local partners and communities.
- 5.4 Safer Ryedale's and the Police and Crime Commissioner's (PCC) priorities for 2018/19 will be based on the data published in the JSIA and results of the recent public consultation on the refresh of the Police and Crime Plan. In Ryedale the priorities to ask the police to consider how its whole workforce is best deployed to respond to traditional policing demand which concerns the public most, such as burglary and anti-social behaviour. Mobile working to help officers spend more time in communities, and effective collaboration to improve community and road safety.
- 5.5 The three subgroups of Safer Ryedale: Domestic Abuse, Safer Roads and Crime, Alcohol and Substance Misuse have reviewed their actions for 2017/18 and refreshed these in the context of the revised information outlined above.

### 6.0 POLICY CONTEXT

- 6.1 Council Priority: Customers and Communities - Helping our partners to keep our communities safe and healthy.

### 7.0 CONSULTATION

- 7.1 Consultation with Safer Ryedale partners, including Neighbourhood Watch and Community and Police groups has been undertaken.

### 8.0 REPORT DETAILS

- 8.1 The draft 2018/19 Safer Ryedale Action Plan is appended in Annex B.

#### **Police and Crime Commissioner (PCC) Commissioned Safer Ryedale activity**

- 8.2 The PCC has issued commissions for Local Delivery Teams in respect of Target Hardening. The amount has been determined with reference to population and crime figures. Ryedale will be receiving £1,815.51

- To manage the councils estate to achieve the best social, economic and environmental benefit for the communities of Ryedale
- To dispose of underutilised assets
- To acquire assets that would support the finances of the Council and delivery of the Council priorities
- That the proceeds of the sale of any of the assets be used to support the delivery of the Council's priorities.
- For disposal of any Council owned asset used for car parking, decisions should be made in the context of a car parking policy.

- The preferred option of office accommodation on the site of the current Community House.
- to develop proposals for a hub for public sector and voluntary and community sector partners, linked to the OPE programme.
- When Ryedale House is no longer available, future meetings of Council to take place in the Milton Rooms and similar venues in Ryedale.

The brief for the public sector hub to include the following:

- Members to have access to a dedicated small office to accommodate 6 people, potential to provide a Leader's office if required and space for committee meetings for 10 members, officers and public seating.

c) In the event the single public sector hub does not come to fruition, the option of locating to Harrison House is to also be considered.

d) Housing to be built on the Ryedale House site, a proportion of which to be affordable, ensuring best value. The possibility of a joint development including neighbouring sites to be explored.

e) The upper deck of Wentworth Street Car Park to be considered for housing as part of the OPE programme.

f) The Council to consider relocating Streetscene services to the proposed Waste Transfer Station at Kirby Misperton.

	<p>g) A review to take place of all Council assets to deliver the Council's Asset Management Policy.</p> <p>On 15 March 2018 a further report is being considered by the Policy and Resources Committee.</p>
