Once every 3 months Policy and Resources and Overview and Scrutiny receive a report 'Delivering the Council Plan'. It provides a list of performance indicators – some annual, some quarterly.

The indicators are measured against targets; red for not achieving target; amber for very close to target; green for targets achieved.

Some appear as red or amber on a repeat basis. Some may be “not available”.

Council, while recognising improvements made over the last year, resolves to improve this monitoring process further by ensuring that on a repeat of “unavailable”, red or amber a report is produced for the appropriate committee. An explanation to be given as to why the target is close or missed on more than one occasion. Members to agree / recommend to Full Council appropriate changes so that actions can be implemented.

**11 Any other business that the Chairman decides is urgent**
