Decision

Planning Committee is recommend to confirm TPO 352/2019 with one amendment:

Removal of T1 from the Schedule

The reason is that due to the tree's condition does not merit a TPO:

Poor condition of the tree, retention span is limited, and it is close to properties and the public highway.

T2 and T6 are all trees which should be subjected to the Order and the Order should be confirmed with the amendment.

Unanimous decision to confirm the TPO 352/2019 subject to the removal of T1
