## COUNCIL

**IMPORTANT:** The Council fully recognises and respects the role and importance of democratic meetings and is committed to protecting the health and safety of Elected Members and Officers who participate. Risk assessments are undertaken in advance of each meeting, and are reviewed on an ongoing basis. The intention is to hold democratic meetings in-person where it is safe to do so. However, if, as a result of risk assessment it is determined that a physical meeting cannot safely occur, the meeting will proceed virtually and details of this will be made available on the Council's website.

In the event of a physical meeting, social distancing measures will be in place throughout, however it is important that you **do not attend** the meeting if **you or anyone in your household** has symptoms of COVID-19.

For the purpose of public transparency and accountability, the meeting will be live streamed online. Details of how to access the live stream will be made available on the Council's website in due course. For health and safety reasons and in accordance with our risk assessment, members of the public are asked to follow the meeting via this method rather than attending any physical meeting in person. If you are unable to access the meeting this way, please contact us so that we can explore whether any safe alternative option is possible. The media will be able to report on proceedings from the live stream.

*“Do you agree with the points made in a letter from the cabinet member for planning and leader of Cheshire East council to the Secretary of State for Housing, Robert Jenrick, after he allowed a planning appeal, despite a clear conflict with local development plan policies and sufficient 5 year land supply. The letter claims this decision ‘undermines the principles of effective plan making’ and will ‘likely lead to a further scramble for developers to seek permission for other unplanned sites’.”*

**9 Exempt information**

To consider a resolution to exclude the press and public from the meeting during consideration of the reports marked exempt for the following item 10 (To Receive all Committee and Council level decisions made under urgency powers, as required under the Constitution) as provided by paragraph 3 of Schedule 12A of Section 100A of the Local Government Act 1972, as they contain information relating to the financial or business affairs of any particular person (including the authority holding that information).

The public interest test has been considered and, in all the circumstances of the case, the public interest in maintaining the exemption is considered to outweigh the public interest in disclosing the information.

**10 To Receive all Committee and Council level decisions made under urgency powers, as required under the Constitution**

*"In view of the continuing calls for west east access to the A64 from York Rd, we call on Ryedale District Council to work with North Yorkshire County Council and the Highways Agency to explore the possibility of a roundabout at the Huttons Ambo junction on the A64 to help alleviate the traffic congestion levels in Malton and Norton.*

*The roundabout would allow access to the A64 east from York Road, reducing the level of traffic, including HGVs, that have to pass through Malton and Norton to access the A64 and create east/west access at both ends of the Malton bypass.*

*Furthermore, with the concern widely expressed for the safety of children and parents accessing Malton County Primary School and St Mary's RC School on Highfield Lane, Malton, we call on Ryedale District Council to support a HGV ban between the Peasey Hill Road junction and Hawthorn Avenue.*

*We request that Officers be asked to enter into negotiations with North Yorkshire County Council to follow the process required to introduce this ban."*

**15 Appointment of a Representative to the Milton Rooms Management Committee**

To appoint a new representative to the Milton Rooms Management Committee, following Councillor Delaney's decision to step down from this role.
