## COUNCIL

**IMPORTANT:** The Council fully recognises and respects the role and importance of democratic meetings and is committed to protecting the health and safety of Elected Members and Officers who participate. The Council is currently holding hybrid meetings (part physical and part virtual). Risk assessments are undertaken in advance of each meeting, and are reviewed on an ongoing basis.

For the physical part of the meeting, social distancing measures will be in place throughout, however it is important that you **do not attend** the meeting if **you or anyone in your household** has symptoms of COVID-19.

The virtual part of the meeting, will take place via Microsoft Teams and details of how to join the meeting have been provided to Members of the Council. A telephone dial-in facility will also be available.

For the purpose of public transparency and accountability, the meeting will be live streamed online. Details of how to access the live stream will be made available on the Council's website in due course. For health and safety reasons and in accordance with our risk assessment, members of the public are asked to follow the meeting via this method rather than attending the physical part of the meeting in person. If you are unable to access the meeting this way, please contact us so that we can explore whether any safe alternative option is possible. The media will be able to report on proceedings from the live stream.
