REPORT

6.0 REPORT DETAILS

- 6.1 Good governance is important to the proper operation of all organisations, and is

essential for local authorities and other bodies with a responsibility for managing public funds. In recognition of this importance, the Accounts and Audit Regulations require all councils to annually review their systems of control and prepare an annual governance statement setting out their governance arrangements. The statement should include any significant issues relevant to an understanding of the governance framework. The AGS forms part of a council's Statements of Accounts and is considered by the external auditor during their review of the accounts.

- 6.2 The Corporate Management Team and other appropriate officers have reviewed the Council's system of controls. In addition, comments, evidence, and feedback from a number of internal and external sources have been considered in compiling the statement. The Council has adopted the Cipfa framework for producing the AGS, and the attached AGS has been prepared in accordance with proper practice.
