Wombleton Parish Council.

Dear Ms Weatherstone,

RE Teasdale Potato Store, Hungerhill Lane, Wombleton and application no 12/00884/MFUL

I have been asked by my Council to forward to you complaints by a number of residents in relation to deliveries and distribution from the above site of wood pellets. There is an application currently pending for the storage and distribution of wood fuels but no decision has yet been made. I have been asked to request that you investigate the claims made as a matter of urgency please and let me know the outcome. You may be aware this is a sensitive site and residents are very unhappy that Mr Teasdale appears to have already commenced his wood fuel storage and distribution prior to any decision being made by the Planning Authority. In addition I will be forwarding this to the Planning Department and asking that the Planning Committee be made aware of this apparent breach.

Yours sincerely,

Louise Slater

Mrs M L Slater, Clerk to Wombleton Parish Council
