

## Delivering the Council Plan Overview – Appendix 1

Status	Performance Indicator	Lead Officer
	Standard searches carried out within 10 working days	Angela Jones
	Speed of processing new claims for Council Tax Support	Angela Jones
	% of Non-domestic Rates Collected	Angela Jones
	Customer Complaints resolved within 5 working days	Angela Jones

### SUSTAINABLE GROWTH

This Council wants to do all it can to create the conditions for economic success in our area. We also want Ryedale residents to have the skills, opportunities and living conditions that allow them to benefit from a healthy local economy and enjoy a good quality of life. A supply of local labour with the right skills is also essential for our businesses.

To guide our policies, proposals and priorities we monitor our relative performance in terms of the key baseline issues of: Employment and benefit claimant levels, Wage levels, Qualifications and education, Supply of homes (market and affordable) and housing sites. Housing affordability, including fuel poverty, and dealing with homelessness. Where local performance doesn't reflect our ambitions for our economy and communities, we will work with the appropriate partners to seek to address this through the most deliverable means.

To support both our businesses and our communities we also need new homes, particularly affordable homes for local people. We can only influence and seek to facilitate these matters in partnership with others.

In the Housing team, the performance indicators across North Yorkshire have been refreshed in accordance with the Homelessness Reduction Act. The reports and data have been established and a year-end position included in this report.

The Local Plan Sites Document was examined with hearing sessions held in September and October 2018. It is expected that the Inspectors report will be received in May 2019.

## CUSTOMERS AND COMMUNITIES

In terms of supporting the growth agenda and by meeting the needs of customers, the Council has continued to determine major planning applications in a timely manner with 100% of major applications determined in time and/or agreed extensions of time.

In addition all application types, including 'Minor' applications (91.7%) and 'Other' applications (91.9%) are exceeding their respective performance target levels for the 2018/19 year

**On Standard Searches carried out within 10 working days, the target shows an AMBER status at the end of 2018-19. Measures are in place to improve performance in this area, with extra resources now in place and trained up to cope with demand.**

**The speed of processing New Claims for Council Tax Support is at AMBER status, with action underway to mitigate the external factors which negatively influence the Council's performance.**

**Customer complaints resolved within 5 working days shows a RED status at the end of March 2019.**

**Out of the 60 customer complaints received in 2018/19, 36 were resolved within 5 working days.**

**Further work is underway to improve the alerts sent to managers to generate quicker responses.**

## ONE RYEDALE

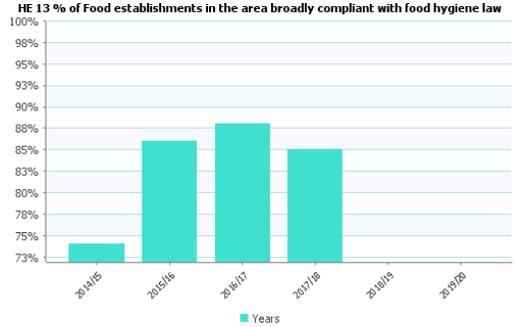

**At the end of Q4, the collection rate of Non-Domestic Rates is slightly below target, showing an AMBER status.**

FOI response rates have significantly improved, achieving a 93.2% response rate in this quarter against a 90% target, following training of new staff to build resilience in this service area for the future.

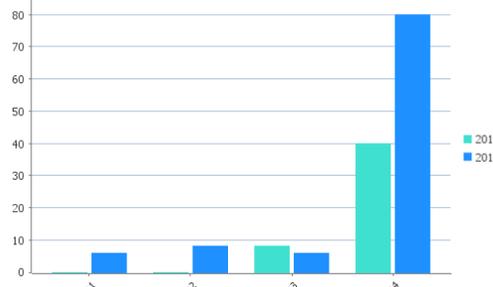

## SUSTAINABLE GROWTH

- Promoting a strong economy with thriving business and supporting infrastructure
- Capitalising on our culture, leisure and tourism opportunities
- Managing the environment of Ryedale with partners
- Enabling the provision of housing that meets existing and anticipates future need
- Minimising homelessness, improving the standard and availability of rented accommodation and supporting people to live independently

	% of Food establishments in the area broadly compliant with food hygiene law	<p>The “broadly compliant” performance Indicator is defined as the percentage of food establishments within the local authority area that are broadly compliant with food law. The assessment is based on a scoring system that is defined in the national Code of Practice. When officers inspect a food business they rate the business with respect to several aspects. Three of those aspects namely the standard of hygiene, the structural standard and the confidence in management are awarded numerical values and if any one of them falls below a prescribed level then the establishment is judged to be non broadly compliant.</p> <p>The 2018/19 annual return is still to be calculated to be submitted to DEFRA by the end of May 2019.</p>	85%	72%	2017/18 result	<p><b>HE 13 % of Food establishments in the area broadly compliant with food hygiene law</b></p>  <table border="1"> <caption>Data for Trend Chart: % of Food establishments in the area broadly compliant with food hygiene law</caption> <thead> <tr> <th>Year</th> <th>Percentage</th> </tr> </thead> <tbody> <tr> <td>2014/15</td> <td>74%</td> </tr> <tr> <td>2015/16</td> <td>87%</td> </tr> <tr> <td>2016/17</td> <td>88%</td> </tr> <tr> <td>2017/18</td> <td>85%</td> </tr> <tr> <td>2018/19</td> <td>-</td> </tr> <tr> <td>2019/20</td> <td>-</td> </tr> </tbody> </table>	Year	Percentage	2014/15	74%	2015/16	87%	2016/17	88%	2017/18	85%	2018/19	-	2019/20	-

	% of Council Tax collected	Since the introduction of legislation to allow ratepayers to pay over 12 months, the in-year collection rate between the months of April to January is generally lower than the year before. This is due to an increase in uptake of those that want to pay over 12 months as opposed to 10 months.	98.81%	98.73%	2018/19 result	<p><b>CS RB 11 % of Council Tax collected</b></p>  <table border="1"> <caption>CS RB 11 % of Council Tax collected</caption> <thead> <tr> <th>Month</th> <th>2017/18</th> <th>2018/19</th> </tr> </thead> <tbody> <tr><td>April</td><td>12.00%</td><td>12.00%</td></tr> <tr><td>May</td><td>22.00%</td><td>22.00%</td></tr> <tr><td>June</td><td>30.00%</td><td>30.00%</td></tr> <tr><td>July</td><td>40.00%</td><td>40.00%</td></tr> <tr><td>August</td><td>48.00%</td><td>48.00%</td></tr> <tr><td>September</td><td>58.00%</td><td>58.00%</td></tr> <tr><td>October</td><td>68.00%</td><td>68.00%</td></tr> <tr><td>November</td><td>78.00%</td><td>78.00%</td></tr> <tr><td>December</td><td>88.00%</td><td>88.00%</td></tr> <tr><td>January</td><td>95.00%</td><td>95.00%</td></tr> <tr><td>February</td><td>98.00%</td><td>98.00%</td></tr> <tr><td>March</td><td>98.81%</td><td>98.73%</td></tr> </tbody> </table>	Month	2017/18	2018/19	April	12.00%	12.00%	May	22.00%	22.00%	June	30.00%	30.00%	July	40.00%	40.00%	August	48.00%	48.00%	September	58.00%	58.00%	October	68.00%	68.00%	November	78.00%	78.00%	December	88.00%	88.00%	January	95.00%	95.00%	February	98.00%	98.00%	March	98.81%	98.73%
