

**Subject:** Wombleton - 18/00580/MFUL - Pooleys plate - Jan 2019

Dear Rachel Balmer,

With respect to the plans to be supplied for the site visit on 3 Sept it might be the case that you are including the Pooleys Wombleton plate. When this was updated for the bound addition in late 2018 they did not get the runway 17/35 quite correct so it was subsequently amended for the Jan 2019 quarterly update which is produced in unbound form.

I sent this latest updated plate and you had it posted on the website as document 1904695 on Thurs Dec 6 2018 as '*Reproduced with permission from author*'. If applicable please could this latest version be used to avoid any controversy or argument on site or elsewhere. It should look like this.

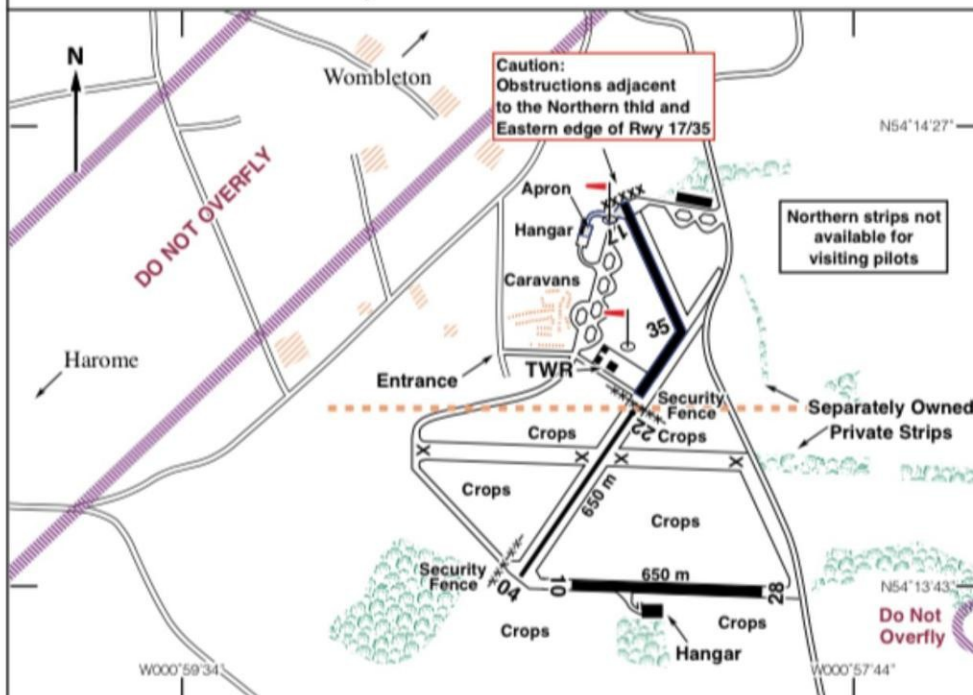

With many thanks,  
Kind regards,  
Stewart Slater

N54 14-02 W000 58-13 **WOMBLETON** 120 ft AMSL
