Welburn Village Hall	CG 105	Cllrs Graham, Cleary	Cllr Cleary: I have no hesitation in endorsing this application. The Village Hall is very active and the Committee strives to make full use of the facility which these improvements will enhance and make more inclusive. Cllr Graham: I am very happy to endorse the application from this group. I'm sure the improvements they indicate will enrich the experience for many people.
Westow Cricket Club	CG 106	Cllrs Graham, Cleary	Cllr Cleary :I have great pleasure in endorsing this application for a well run and well used facility. Cllr Graham: I am very happy to endorse this application from Westow Cricket Club. The members have worked extremely hard over the last few years to get the pavilion up and running as a facility, not only for the Cricket Club, but also as a first class community centre. The premises are well used for many social functions, including that of a place for people who might otherwise feel lonely or cut off from village life, as well as providing sporting and fitness sessions. In the present circumstances, they are well-deserving of this Community Grant to enable them to carry on with this valuable community resource.
Sheriff Hutton Junior Cricket Club	CG 108	Cllr Hope	I am aware of this application I endorse this the youngsters are very active it would be good if we could help them with a grant.
Ampleforth Activity Class, Equipment and Storage	S106-66	Cllr Bailey	I'm very supporting of this activity.

Thornton Dale Village Hub, Britain in Bloom equipment	S106 - 68	Cllrs Oxley and Delaney	Cllr Oxley: The Hub does a tremendous job in Thornton le Dale and is active in many community areas. Specifically during the last months it has been the bedrock of the volunteer group supporting and helping people through the COVID situation. Recognition at this level is a significant achievement and honour for the group and the village. The work of the hub has a beneficial impact on both community involvement and pride and I would love to see this opportunity maximised. To this end I am happy to support their application.
