

Subject: Planning Application - 20/01014/FUL Studley Farm, Ebberston

Good afternoon

I refer to the above planning application and as parish council would like to make the following comments.

We note the request from Northern Powergrid to ensure the structure is 5 meters away from their equipment and the plan is to move the proposed structure nearer to residents properties.

We feel very strongly that the structure must be as near to the original plan as possible and that it is moved no more than is absolutely necessary.
