Afternoon

Planning application; 20/00934/MOUT

Heslerton Parish Council has received objections from local residents on this application. The access to this site is along a very narrow road which is unsuitable for both construction traffic and for residential use thereafter.

Should permission be granted, it must be a condition that the developer widens the access road to allow two vehicles to pass throughout its length. Without this condition the Parish Council wishes formally object.

Regards

Chris Adnitt

Clerk to Heslerton Parish Council
