**Subject:** Listed Building Consent Application 21/00434/LBC

Dear Ms Hood,

Settrington Parish Council has the following Observations to make regarding this Application:

- a) The neighbours' privacy concern regarding the roof lights on the property's NE elevation needs to be resolved
- b) Given the stated intended occasional use of the property as habitable accommodation, the proximity of the neighbours' oil tank to the property is a Regulation/safety issue
- c) The parish council would prefer that the property is not used as habitable accommodation

Yours sincerely,

Bruce Skinner  
Clerk to Settrington Parish Council
