

PART B:	RECOMMENDATIONS TO COUNCIL
REPORT TO:	POLICY AND RESOURCES COMMITTEE
DATE:	29 JULY 2021
on REPORT OF THE:	CHIEF FINANCE OFFICER (s151) ANTON HODGE
TITLE OF REPORT:	REVENUE AND CAPITAL BUDGET MONITORING – Q1 2021/22
WARDS AFFECTED:	ALL

EXECUTIVE SUMMARY

1.0 PURPOSE OF REPORT

1.1 The revenue budget for 2021-22 was approved by Council on 18 February 2021. This report (plus a verbal update at the meeting) will present the financial performance against the budget as at 30 June 2021. The report also contains an updated position on the estimated use of reserves over the next few years. Due to the lead-in time required for preparing and circulating reports, at the time of writing Q1 had only just closed and therefore work was not yet complete on finalising these estimates. However it is hoped that these will be available in time for the meeting.

2.0 RECOMMENDATION

2.1 It is recommended that Council:

- i) Notes the contents of the report – including as updated verbally at the meeting, or beforehand where possible.
- ii) Notes the impact on reserves of current spending plans and that it is likely that reserves will be fully spent by March 24 unless further savings are made. This assumes that the Council will continue in its current form to at least that point. If Local Government Review happened before then, there will be additional costs arising from that which all councils will be expected to contribute to.

3.0 REASON FOR RECOMMENDATION(S)

3.1 To ensure that budget exceptions are brought to the attention of the Council in order to approve remedial action where necessary and to inform the financial implications and impact on future years.

4.0 POLICY CONTEXT AND CONSULTATION

- 4.1 The financial position and performance against budget is fundamental to delivery of the Council's Plan, achieving value for money and ensuring financial stability.

5.0 REPORT DETAILS

General Fund (Appendix A) – Revenue Estimates

- 5.1 A verbal update on the forecast year-end position will be provided at the meeting.

Covid-19 impact on Revenue Budget

- 5.2 Forecasts will be prepared using the latest information gathered for the Financial impacts monitoring returns to MHCLG and the position reported here uses the estimates for the full financial year as at the end of June.
- 5.3 Council approved additional funding from reserves of £787k to cover COVID costs as set out in the table below.
- 5.4 Estimated gross costs for the year at this stage – and assuming no continuation of these after September are also included below.

	Budget £000	Latest Estimate
Stand-by payments	25	25
Reduction in investment income	150	150
Additional Vehicle Hire (Streetscene)	23	23
Loss of car park income	155	155
Loss of catering income	10	10
Additional finance resources	50	50
Ryecare Income	8	8
Procurement savings not achieved	50	50
Streetscene (reduction of income, offset by reduction in diesel, etc)	73	73
Customer Services Staff	90	90
COVID Grant Revenue Officers	25	25
COVID Marshall	12	14
Online meetings	25	20
Covid-secure workplace adjustments including PPE	45	45
Support for Vol and Community sector incl additional grant allocation	25	25
COVID implementation and coordination arrangements	22	22
	<u>787</u>	<u>785</u>

- 5.5 The £785k is the estimated annual gross cost for costs to be funded this year. The only additional funding provided by government to date is Contain Outbreak Management Fund of £67k and this has been fully accounted for.

- 5.6 At this stage therefore it looks like funding agreed at budget will cover the COVID costs (assuming they do not go beyond September) and this will be taken into account in the reported Q1 figures.

Capital Programme

- 5.7 The current approved programme is £11.3m, which includes the original budget of £9.069m approved by Council plus £2.264 carried forward from last year. A verbal summary of the most up-to-date estimates will be provided at the meeting.
- 5.8 Within the budget, the main headings are shown below. As in previous years, it can be expected that some of these costs will slip into future financial years.

Impact on Reserves

- 5.9 As reported to the Committee in June, the amount of revenue reserves as at 31.03.21 was £16.2m. Much of this has already been committed and the table below shows the expected position over the current financial year. The funding of capital programmes, including the additional projects agreed to be earmarked by Council in February, make up the largest element of the intended use of reserves and, as mentioned above, some of this could slip. However commitments intended for the current year would reduce the level of revenue reserves to 5.4m:

£000s	31.03.21								31.03.22
		original	capital	credit	original	livestock	Pickering	Milton	
		use	c/fwd	union	COVID	market		Rooms	
General Reserve	3,981			-500	-787				2,694
Capital Fund	5,405	-4,456	-1,577			-1,500	-200	-307	-2,635
Election Reserve	7	30							37
New Homes Bonus Reserve	3,582	0							3,582
Collection Fund Equalisation Reserve	837	-600							237
Pensions Reserve	81	225							306
Council Tax Hardship	77	-77							0
COVID grants Reserve	99	-99							0
Strategic Reserve	2,133	-965							1,169
	16,204	-5,942	-1,577	-500	-787	-1,500	-200	-307	5,390
Capital Reserves:									
Capital Receipts	421								421
Total Capital Reserves	421	0							421
Total Reserves	16,625	-5,942	-1,577	-500	-787	-1,500	-200	-307	5,811

- 5.17 This assumes that there will be no further deficit in 2021/22 nor any additional spend on capacity or other projects. It is extremely likely that there will be transition costs of any local government review outcome which all councils will have to contribute to.

- 5.18 The table below shows further expectations over the next two years, albeit before any impact of LGR:

£000s	31.03.22		31.03.23		31.03.24		31.03.25
		In-year		In-year		In-year	
General Reserve	2,694	0	2,694	0	2,694	1	2,695
Capital Fund	-2,635	-1,166	-3,800	-125	-3,925	-110	-4,035
Election Reserve	37	-90	-53	30	-23	30	7
New Homes Bonus Reserve	3,582	0	3,582	0	3,582	0	3,582
Collection Fund Equalisation	237	-237	0	0	0	0	0
Pensions Reserve	306	273	579	-579	0		0
Council Tax Hardship	0		0				
COVID grants Reserve	0		0				
Strategic Reserve	1,169	-1,226	-57	-1,539	-1,596	-1,487	-3,083
	5,390	-2,446	2,945	-2,213	732	-1,566	-834

5.18 The reductions in Strategic Reserve show the impact of funding the deficit of the revenue budget, as outlined in the Financial Strategy agreed by Council in February 2020. Should funding increase or savings be found, this will reduce the call on reserves.

5.19 It should be noted that some of these reserves are earmarked for specific purposes (rather than supporting the general revenue budget or other agreed projects) and effectively this reduces the amount of funding available. The figures above also do not take account of the Financial Strategy's agreed minimum working balance of £1m. Therefore a more realistic picture is shown below:

£000s	31.03.22	31.03.23		31.03.24		31.03.25	
		In-year		In-year		In-year	
General Reserve	2,694	0	2,694	0	2,694	1	2,695
Capital Fund	-2,635	-1,166	-3,800	-125	-3,925	-110	-4,035
Election Reserve	37	-90	-53	30	-23	30	7
New Homes Bonus Reserve	3,582	0	3,582	0	3,582	0	3,582

Strategic Reserve	1,169	-1,226	-57	-1,539	-1,596	-1,487	-3,083
	5,390	-2,446	2,945	-2,213	732	-1,566	-834

Pensions Fund	-306		-579	0			0
Minimum Level of Reserves	-1,000		-1,000	-1,000			-1,000
Elections	-37		53	23			-7
Reserves Available	<u>4,047</u>		<u>1,419</u>	<u>-245</u>			<u>-1,841</u>

5.20 The figures above show that there is very little scope for additional spending from reserves and that without savings plans in place for future years and once additional LGR costs are incurred, reserves are likely to be fully spent by March 2024. Should the council continue to operate beyond that date, members may have to look to reverse some decisions, find additional savings, or borrow to fund the capital programme.

5.21 The Financial Strategy agreed by Council in February noted that

“The Head of Paid Service commissioned senior managers to work with their teams to identify areas where it is considered that further investment is required given the current pressures on capacity due to increased service demands and the need to deliver against the Council Plan as well as COVID-related responsibilities. Those identified in relation to business as usual/Council Plan delivery capacity included

supporting performance management, data intelligence and potential for further work as a result of LGR. Any further allocations will be subject to business cases coming forward at a future date to members.”

- 5.22 The Strategy also noted that funding for posts and work which was specifically related to the impact of COVID was agreed only for 6 months of the financial year – i.e. up to October 2021 and again that a request to draw down further funds may be forthcoming.
- 5.23 The figures in this report do not include the impact of any further capacity proposals and a paper will be brought to the September Committee about these. Should any further capacity proposals be included, this will have a further impact on reserves.
- 5.24 Likewise, should LGR go ahead, the council will be expected to contribute towards implementation costs and these will be better known at that stage.
