Subject: RE: Planning Notification 21/01016/MFUL Please see attached Letter

Good morning,

The Huttons Ambo Parish Council have no objection to this planning application.

However, they are disappointed that there appears to be no dedicated 'safe' outside space associated with the children's nursery. This space to be for the children being looked after to play outdoors in a safe environment. They would like to see that a dedicated outdoor play area is made a condition of the planning approval.

Kind Regards

Anne

Mrs Anne Lealman

Huttons Ambo Parish Clerk
