110 **Urgent Business**

There was one item of urgent business regarding amendments to the Community Grant Scheme criteria. The reason for the urgency was the timescale in which a decision was required.

The Chair also used this item to inform the Committee that the Structural Change Order had been approved. She noted that this could mean a change in how financial approvals over a certain amount are made. Further information will follow.

Finally, the Chair gave a statement regarding the Norton Skate Park as a report on this issue had been requested for this meeting of Policy and Resources. However, due to the complex nature of the proposals, the number of parties officers need to consult, and the capacity issues currently faced by staff, it had not been possible to produce this report in time. The Chair informed the Committee that significant progress had been made on the Skate Park. Norton Town Council has committed circa £40,000 of its budget to modify and resurface the equipment, excluding the half pipe. A contractor has been appointed and work is due to start imminently, with a view to the Skate Park opening in late spring. Negotiations regarding the refurbishment of the half pipe are ongoing. Progress will continue to be reported to the Committee, and the promised report will be presented at the next possible opportunity.
