**APPLICATION DETAILS**

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. **VARIATION**

Continued from previous page...

Do you want the proposed variation to have effect as soon as possible?

Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The premises has been used as a venue for the music festival known as Meadowfest since July 2019. The capacity for Meadowfest has been set at 5000 but even with half this number of attendees in July 2021 it became apparent that the number of bars was insufficient for the smooth running of the event. The first proposed variation is therefore to increase the number of bars/point of alcohol sales to ten. A second variation is to increase the maximum number of events per year to ten
