EXECUTIVE SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 To seek the determination by the Licensing Sub Committee of applications for two private hire vehicle licences for vehicles that do not comply with the standard criteria as stated in the Council's Taxi and Private Hire Policy ("the Policy"). Such vehicles may be licensed at the discretion of the licensing Sub Committee if they are considered to be an "exceptional vehicle in exceptional condition".

2.0 RECOMMENDATION(S)

- 2.1 It is recommended that:

- (i) the applications for private hire vehicle licences in respect of a 2010 Black Land Rover Discovery (registration: RR55 RUR) and a 2014 Grey Land Rover Range Rover (registration: R555 RUR) be determined taking into account the Council's Taxi and Private Hire Policy and after hearing from the applicant.

3.0 REASON FOR RECOMMENDATION(S)

- 3.1 The vehicles do not comply with the standard criteria as stated in the Policy, the determination of the applications therefore rests with the Licensing Sub-Committee.

4.0 SIGNIFICANT RISKS

The Licensing Authority would leave itself open to appeal or judicial review should it not comply with all legal requirements.

7.0 LICENSING POLICY AND NATIONAL GUIDANCE

- 7.1 In addition to Appendix E, the following sections of Ryedale's Taxi & Private Hire Policy are applicable:

Aims of Licensing

1.5 - The principal aim of hackney carriage and private hire licensing is to protect the public whilst ensuring that they have reasonable access to high quality hackney carriage and private hire services. It is accepted that such services play an important role in local transport provision.

Objectives

1.6 - The LA shall adopt and carry out its hackney carriage and private hire licensing functions with a view to promoting the following licensing objectives:

1. Safety, health and comfort of the public and drivers
2. Prevention of crime and disorder, safeguarding of children and the vulnerable
3. Vehicle safety, comfort and access
4. Provision of high-quality vehicles and services

1.7 - In promoting these objectives, the LA shall expect applicants and existing licence holders to continually demonstrate that they meet or indeed exceed the specifications set by the LA within this Policy. These objectives shall be taken into account by the LA when making any decision.

1.13 - Notwithstanding the existence of this Policy, each application or enforcement measure shall be considered on its own merits. Where it is necessary for the LA to depart substantially from the Policy, clear and compelling reasons shall be given.

3.2 - Vehicles must be suitable in type, size and design for use as a licensed vehicle. The LA shall licence any vehicle manufactured or adapted to carry up to 8 passengers (excluding driver) provided that it meets the criteria set out at Appendix E.

Non-standard vehicles

3.35 Applications for vehicles that do not meet the standard criteria as set out in Appendix E shall be determined by the LA's Licensing Sub-Committee. Each application shall be considered on its own merit and public safety shall be of prime importance. The requirement for future applications to be determined by the LA's Licensing Sub-Committee shall be at the discretion of the LA.

3.36 The LA considers it necessary to impose additional standard conditions to those specified in Appendix E in relation to these vehicles (set out at Appendix I). The LA may also place upon the licence further conditions to ensure the safety of the travelling public.

3.37 All other relevant driver's, vehicle's and operator's conditions shall otherwise apply to the licence.

8.0 OPTIONS

8.1 The Licensing Sub Committee has the following options:

- a) to grant a vehicle licence application (with the conditions outlined in the Policy).
- b) to grant a vehicle licence application (with the conditions outlined in the Policy) including additional conditions; or
- c) to reject a vehicle licence application.

9.0 DETERMINATION OF THE APPLICATION

- 9.1 Members must exercise their decision-making powers in accordance with the provisions of the Human Rights Act 1998, and the principles of natural justice.
- 9.2 Members are invited to determine this application following consideration of the evidence presented to them. The procedure for this hearing is available from the Council.
