Good evening,

Sinnington Parish Council wish to **Object** to the applications 22/00175/ful and 22/00197/ful.

The PC feel the two application are co-related. The PC object due to serious concerns for:

Not in keeping with or inline with the village plan,

Noise nuisance,

Transportation issues due to construction,

Increased volume of traffic coming and going,

Inadequate access,

Not in keeping with a conservation village,

Scale of proposed development outweighing the site/location of a conservation residential village,

Inappropriate site, in the middle of a residential area,

Would set a precedent for other applications to build on that back section which again is not in keeping with the village plan.
