

Minutes of Nunnington Parish Council held in the Village Hall on Monday 25th July 2022

1. There were no apologies, Dr Phillips was on video link.
2. The minutes from the previous meeting were read and signed as a correct record.
3. The Chairman commented on the lack of acknowledgement that the Parish Council had donated the Jubilee coins to the children in the Nunnington Newsletter.
4. There was a lengthy discussion on the planning application for a third house on the land west of Rectory Lane at the old abattoir site. Various residents in the village expressed their concerns, basically the lack of parking space for two extra cars and the boundary wall with Ryemoor. The question was raised concerning Nunnington Settlement Trust selling the houses, although the planning application stated that the houses were for housing Estate staff.
